PROGRAM OVERVIEW

Club Practices / Meetings

The Club year runs from September 1st through August 30th with at least 1 annual meeting per year and at least 8 practice (educational) meetings per year. All practices are held at the De Pere Sportsmen's Club, 3623 Club Drive, De Pere, WI 54115.

Mandatory Meeting

To start each season off right, a mandatory meeting will be held for all members. The meeting will help keep everyone informed regarding enrollment requirements, safety items as well as provide a calendar of events. Youth cannot participate in 4-H activities before the proper forms or registration is completed. Enrollment does not roll over and must be updated each year. This meeting allows club members to hand in required paperwork, pay dues and provide signatures of attending the meeting. All youth members must also sign the Member Participant Agreement form to be eligible to shoot.

Air Rifle and Archery Practices

Practices typically run from January - May. Club practices are run by State Certified Range Leaders. A two-deep leadership philosophy is followed, with at least 2 adult leaders on hand, both who know the plan and procedures. Each practice will begin with the Pledge of Allegiance and the 4-H Pledge. After the 1st relay, only the 4-H Pledge will be said at the remaining relays.

Cancellation due to weather

Please use your judgement if the weather is questionable. Notify the organizational leader via phone or email and indicate you do not feel safe traveling to the range due to the weather, you will not be charged for a "no show."

For outdoor shoots with inclement weather: Always assume that practices and tournaments will continue. A decision regarding canceling an event due to inclement weather will be made on-site at the time the scheduled shoot or practice is set to begin.

Communication

Email is the main source of communication to Club members. The Club email list is created from the primary email address entered into 4H online. Members need to make sure the 4-H online system has the current email address by enrollment deadline as new email lists are not generated throughout the year. Email lists are not reused from prior years, so please notify the Organizational Leader if you would like additional email addresses added to the email list.

Membership

A "Member in Good Standing" - is a youth (or adult) who abides by the Member Participation Agreement and meets group requirements such as mandatory meetings, dues/fees, and enrollment in 4Honline.

Cost

Club Dues

The annual fee to join 4-H is \$6 (per youth) and will be paid to your primary club. Of that, \$3 is a county 4-H registration fee, \$1 is an insurance fee and \$2 is to cover club expenses.

Practice fees

A \$6 fee is required for each member at each practice attended. Of that fee, \$3 is paid to the De Pere Sportsmen's Club for the use of the range and facility. The remaining \$3 is used to cover the costs for replacing and maintaining equipment and accessories, ammunition, targets, arrows, CO2 canisters for rifles, educational materials, training costs for certified instructors/coaches, and wildlife supplies/activities. "No shows" will be charged a \$6 fee at the next practice.

Trap Practices

Weather permitting, the club will hold Trap Shooting in the Spring of the season.

Requirements

All members who wish to participate ***must:***

- Attend and have passed the DNR Hunter Safety Class and attain a Hunter Safety Certification •
- Be at least 12 years of age

There are additional fees associated with participation in Trap Shooting. There will be a small fee for shells \$6 and clays \$4. (If you bring your own gun and shells, you will only pay for clays, but your gun must be inspected by a certified range leader). If you bring your own shells, they must be factory loaded ammunition. No reloaded ammunition is allowed.

Insurance

When youth members join 4-H and pay their fees, they are covered by 4-H accident insurance while directly involved in 4-H activities. This is a basic accident insurance that covers members and leaders while participating in 4-H activities. If an injury occurs to a member while participating in a Club event, members are covered by the Wisconsin 4-H accident insurance policy. The club pays for this policy for all enrolled members and leaders from the annual 4-H fee collected each year. The 4-H insurance covers only members enrolled in 4Honline.

DRESS CODE

The following dress code has been developed to prevent participants from becoming offended or uncomfortable during any 4-H events or activities. Planning ahead and packing appropriately will save yourself the inconvenience of changing your attire during the 4-H event or activity and ensure that you contribute to a pleasant 4-H atmosphere.

Members are required to adhere to the State 4-H Shooting Sports Education Dress Code. Every participant in the club will promote a positive image by wearing appropriate attire during all 4-H events. This applies to not only Club practices but also when representing the Club at other 4-H events.

Prohibited items include:

- Clothing that exposes any part of the torso, including but not limited to cut-off t-shirts, halter tops, tank tops, etc.
- Short shorts and low riding shorts or pants revealing undergarments or buttocks. Shorts are acceptable, but must be at least as long as youth's fingertips when their arms hang comfortably at their side.
- Flip-flops or opened-toed shoes/sandals
- Any clothing with pictures, caricatures, designs, messages, writings, or other embellishments with direct or indirect references to alcohol, tobacco, sex, sexual connotations, drugs, gambling, or profanities.

It is recommended:

- Jewelry is limited to post earrings with no dangles. No necklaces or bracelets may be worn while practicing or competing. It is highly recommended that watches be removed while shooting archery.
- Long hair must be secured back where it can not interfere with the shooting equipment.

EQUIPMENT GUIDELINES

The club will supply equipment needed, eye, and ear protection for participation in the Archery and Air Rifle portions of the program. If you wish to bring your own firearm or bow to shoot, the following rules apply: Firearms need to be brought in a case and must have a copy of the instruction book with it in the event that instructors are unfamiliar with that particular firearm. Keep your firearms cased until presented at the range. If you bring your own bow, you must bring your own arrows, and have them quivered. ALL personal firearms and bows will be safety-checked by a Certified Range Leader each time prior to allowing use on the range.

Any Certified Range Leader has the right to examine any item of a shooter's equipment including bows, arrows, air rifles, shotguns, ammunition, and other equipment to ensure proper accordance with required specifications.

Transportation of Firearms

When a firearm is being transported to an event/practice session, it shall be carried to the range and away from the range, to and from a vehicle or other area, in a case that completely encases the firearm. A firearm shall be transported unloaded and with the safety on and action open and kept in this condition until a command for "range is open" or other appropriate instruction is given. While a firearm is being transported to a range, it shall be under complete control of the person carrying it. It should not be touching or bumping the ground.

Firearms and Ammo Storage Policy

- All guns should be unloaded at all times when not on the firing line.
- All firearms and bows should be kept in locked storage cabinets.
- Ammo and magazines should be locked in a separate storage cabinet.
- All firearms should be cleaned immediately after each use and before being stored. Bows and arrows should also be stored clean and dry after a thorough safety inspection is performed.
- Bows should be hung or laid flat and never leaned in storage.

Only authorized 4-H leaders shall have access to keys to all locked areas. A current equipment inventory list will be maintained annually. A 4-H leader must visually compare the itemized inventory on paper with the actual equipment. A copy of the inventory will be submitted with Charter paperwork.

Equipment Loan Policy

Youth may borrow Club owned equipment to use at home for practice (as approved by Certified Range Leader) or other County Shoots. Only an authorized Certified Range Leader can check-out and return equipment. The Certified Range Leader shall inspect equipment and maintain the equipment check-out / check-in sheet.

Equipment should be inspected before and after each use. Equipment will be checked for functionality of safety mechanisms, to see if they are loaded or unloaded, and in full working order. Damaged equipment will be removed for repairs.

Members wishing to check-out equipment will need to coordinate a time for check-out as well as a return date. Ideally equipment will be checked-out at the end of practice and returned prior to the next practice. The youth member, parent, and Certified Range Leader will sign a checkout agreement form prior to leaving the range. All equipment will be checked in and inspected by a Certified Range Leader before use at the next practice.

COMPETITIONS

Competition can teach many valuable lessons, however, competitive shooting at the local, district, state or even national level is NOT the primary goal of Wisconsin Shooting Sports programs. Participation in competitive events is optional and not required of members.

All members, including youth, adult leaders and volunteers have the responsibility to keep the range safe at all times. Any person at the range should take it upon themselves to speak respectfully to an adult leader immediately if they see a safety violation.

*** Refer to the Brown County 4-H Shooting Sports Basic Range Safety Rules and Range Etiquette document for further details

DISCIPLINE POLICY

All members must abide by the rules and regulations and assist in promoting the Brown County 4-H Shooting Sports club objectives. All rules will be followed by 4-H members, adults, parents/guardians and leaders.

All leaders, volunteers, and youth members must be familiar with the Policies & Procedures and must ensure that these Policies & Procedures are enforced. It is the responsibility of each 4H member, leader, parents and other adults to comply with the Policies & Procedures.

Youth may be removed from the shooting line for unsafe activities or safety violations and may not return to the shooting line until cleared. Certified Range Leaders have the right to remove any member from the practice line or building that violates safety protocol. The Range Leader must provide the Organizational Leader with a written report to document the situation. The Organizational Leader will then provide the member with an explanation of the violation and a warning that any future safety violations may warrant removal from the Brown County 4-H Shooting Sports Club.

Depending on the severity of the offense, the 4-H club Leaders(s) may also decide to meet with the member and his/her parent/guardian to discuss the situation and importance that the member comply with expectations and policies. If the member is removed from the practice line or building a second time due to a safety violation, the executive board will consult with the 4-H Youth Development Educator to determine what additional steps need to be taken or remove the member from the program.

Consequences for violating any part of safety rules or code of conduct may include, but are not limited to:

- Removal from leadership positions held.
- Removal from participation in the event in which the Code of Conduct has been violated (at the individual's expense).
- Forfeiture or repayment of financial support for the event.
- Sanctions on participation in future 4-H events.
- Suspension of membership.
- Dismissal from 4-H.

Violation of any Code of Conduct or Safety rules may result in immediate dismissal from the club meeting, practice, competition, and / or permanent dismissal from the shooting sports program. Compliance with De Pere Sportsman's range rules and Club rules are mandatory for all participants.

CLUB LEADERSHIP

Club Leaders are a valued and essential part of the 4-H program. The Brown County 4-H Shooting Sports program includes both youth and adults in leadership roles.

The Wisconsin 4-H Youth Development Policy emphasizes that the 4-H Clubs belong to the membership and the youth members should make the decisions. It clearly states the importance of "Youth involvement in leadership and decision making".

Our Club strongly believes and supports this vision and encourages youth involvement at all levels. We believe adult leaders should serve as advisors and that the club's youth members should be involved in making the club's decisions.

EXECUTIVE BOARD

The Executive Board is responsible for planning the annual calendar, developing meeting agendas, planning club activities and practices and addressing policy issues. The Executive Board will vote on new policies as well as changes to existing policies and procedures of the club as needed. Best practice would be to make any changes to policy at the beginning of the 4-H program year in October. Membership will be notified of any policy changes adopted mid-year via email. The Certified Range Leaders on the Executive Board appoint new Junior Leaders within the Club.

The Executive Board consists of the following elected officers for the 2019 - 2020 season:

Adult positions:
